CAPSULE COLLECTION

nodoitalia  
+  
antonio marras

Inspired by the idea of “dressing” furniture, the collaboration between Antonio Marras and NodoItalia unites two creative worlds—fashion and outdoor living—into a shared vision.

*Ispirata all'idea di “vestire” l'arredo, la collaborazione tra Antonio Marras e NodoItalia unisce moda e design outdoor in un linguaggio estetico unico.*

Through bold color combinations and clean forms, the result is a collection that balances beauty, durability, and comfort.

*Attraverso combinazioni cromatiche audaci e forme raffinate, nasce una collezione che bilancia bellezza, durata e comfort.*
